Natural Burial Meadow

 Leedam

# Quintessential downland

The Dorset Downs natural burial meadow sits in the heart of the West Dorset countryside, above the village of Compton Valence, just five miles from the county town of Dorchester. This beautiful land, a designated part of the Dorset Area of Outstanding Natural Beauty, is farmed by the Russell family, who have lived here for several generations.

The natural burial ground is restored to pre-war downland having been ploughed for many years in a drive for more home-grown food. The adjacent downland is already a Site of Nature Conservation Interest (SNCI) and it is expected that within a relatively short space of time the natural burial ground will become imbued with the same wildflower species.

The wildflower rich mix of seed we have sown, together with the restored and newly planted hedgerows should help encourage wildlife and give shelter to the reborn downland. It's a place that's special to us, which we hope others will share and enjoy.

# How it works

A natural burial is the most ecological funeral option, a thoughtful legacy for future generations. The meadow will remain as it is now, permanent pasture - genuine, farmed countryside.

## In advance

- Visit the burial meadow and spend time there getting to know it and deciding whether it's right for you.
- Download an application form from our website, or phone us and we'll send you an information pack.
- Pre-purchase at today's rate. Options available to pay by standing order.

## Practicalities

We recommend stout footwear as the ground is uneven. A foldable chair is a good idea for those who find it difficult to stand and remember, there's no such thing as bad weather, just the wrong sort of clothes...

There is a wealth of information about natural burial on our website [www.dorsetnaturalburials.co.uk](http://www.dorsetnaturalburials.co.uk) and we are here in the Leedam Natural Heritage office to answer your questions - 01600 716438.

## When planning a funeral

- Complete an interment form to let us know your plans for the day so that we can help you achieve your wishes.
- Make the arrangements yourself or ask your funeral director to do this for you.
- Book the date and time with us. Burials may take place 10am-3pm and at weekends by special arrangement.

Our custodians at Dorset Downs are Tessa and Jeremy Russell. Tessa grew up on the farm alongside several other Chick family members and continues to live here today.

On the day of a funeral, they will be there to welcome and look after you.

Please contact the office if you would like to arrange a visit or learn more about having a natural burial at Dorset Downs. If you prefer to explore the burial meadow independently, please feel free to visit and have a wander around.

# More time and space

The Dorset Downs natural burial meadow lies at the heart of the Dorset Area of Outstanding Natural Beauty.

It is tranquil and private. An unhurried and gentle place to get away from it all. It is somewhere quiet to be with your memories, to take one step at a time, close to nature, whatever the weather, throughout the seasons.

A landscape photograph showing a field of tall grass and wildflowers in the foreground. In the middle ground, there is a large, dark, dense bush or small tree. The background is a flat horizon under a sky with soft, golden light from the setting or rising sun, with some wispy clouds and a few thin white lines (possibly power lines or aircraft trails) visible. The overall mood is peaceful and reflective.

“A sad occasion became  
full of love, friendship  
and time for reflection”

# Make the day your own

The meadow gives you the freedom to be yourselves.

Whether you are planning a simple interment with only a few in attendance or a larger funeral event we will offer inspiration, support and guidance, so you can organise the day exactly as you'd like it.

## Flowers

Consider using flowers from your garden, or a friend's, or produce from the veg patch to create a hand-tied bouquet. Ask florists to use these or locally grown flowers. No plastic, Oasis foam or wire, please.

Think about scattering petals from a basket or single stems into the grave.

## Pets

Dogs offer comfort and companionship, especially at funerals. Dogs on leads are welcome at the burial meadow.

A pet's ashes may be included in its owner's grave at the time of interment.

# Memorial plaques

Oak memorial plaques engraved with names and dates commemorate people buried in the meadow.

The plaques are housed between the upright timbers of the walls of the memorial shelter, located within the top corner of the meadow nearest the entrance.

Rights to display a plaque are granted for a period of 25 years after which they can be renewed.
