We will send you a receipt for your payment and a certificate of memorial rights. Each plaque is made to order and will be placed as soon as possible (usually within 1 month). Plaques are displayed for a period of twenty-five years, after which the condition of the frame will be assessed and we will offer you the option to extend the period of display or to choose an alternative arrangement (if the original framework is beyond repair). We have selected natural materials and robust construction that should withstand the elements for 25 years. Plaques will weather and fade with time, which is to be expected. Those that suffer from vandalism, theft, accidental or malicious damage will not be replaced free of charge.
