Natural Burial Meadow

 Leedam

An idyllic meadow

Bath Natural Burial Meadow sits in the heart of the countryside, just four miles from the city of Bath and is part of the Cotswold Area of Natural Beauty. Jock Cross (1918-2002) loved this land in the beautiful Midford valley. It was owned by his aunt, Ivy Cross. From the age of 14 and for the rest of his working life, Jock farmed this land. He and his wife Janet, a nurse, raised their four daughters on the farm.

Today Janet and several members of the family still live here and continue to care for the land. The Bath Natural Burial Meadow supports the upkeep of the remaining 50 acres of farmland which is rich in a wonderful diversity of wild plants, animals, and birds.

The Bath Natural Burial Meadow celebrates Janet's vision of a sustainable alternative to cemeteries. It's where burials return goodness to the earth, sheep graze the field keeping it rich in wildflowers and we have an opportunity to minimise our impact on the environment at the end of our lives.

How it works

A natural burial is the most ecological funeral option, a thoughtful legacy for future generations. At Bath Natural Burial Meadow, you can purchase rights for burial or ashes interment...

In advance

- Visit the burial meadow and spend time there getting to know it and deciding whether it's right for you.
- Apply online or download an application form from our website, or phone us and we'll send you an information pack.
- Pre-purchase at today's rate. Options available to pay by standing order.

When planning a funeral

- Complete an interment form to let us know your plans for the day so that we can help you achieve your wishes.
- Make the arrangements yourself or ask your funeral director to do this for you.
- Book the date and time with us. Burials may take place 10am-3pm and at weekends by special arrangement.

Practicalities

We recommend stout footwear as the ground is uneven. A foldable chair is a good idea for those who find it difficult to stand. And remember, there's no such thing as bad weather, just the wrong sort of clothes...

There is a wealth of information about natural burial on our website www.bathnaturalburials.co.uk and we are here in the Leedam Natural Heritage office to answer your questions - 01600 716438.

Our custodian

Sally Cook

Bath number: 01225 683128

Monmouth Office: 01600 716438

Email: sally.cook@leedam.co.uk

Our custodian at Bath is Sally Cook, Janet Cross's daughter. Sally grew up on the farm with her sisters and continues to live here today alongside several other family members.

On the day of a funeral Sally is there to welcome and look after you.

Please contact Sally if you would like to arrange a guided visit or would just like to learn more about having a natural burial at Bath. If you prefer to explore the burial meadow independently, please feel free to visit and have a wander around.

More time and space

The burial ground gives you freedom to remember the people you love in a way that feels personal. Whether you want a traditional funeral, or something a little different, we can inspire, support and guide you to help organise the day.

When visiting, it is tranquil and private. An unhurried and gentle place to get away from it all. It is somewhere quiet to be with your memories, to take one step at a time, close to nature, whatever the weather, throughout the seasons.

“A sad occasion became full of love, friendship and time for reflection”

Make the day your own

The meadow gives you the freedom to be yourselves.

Whether you are planning a simple interment with only a few in attendance or a larger funeral event we will offer inspiration, support and guidance, so you can organise the day exactly as you'd like it.

Flowers

In natural surroundings flower arrangements should not include any wire, plastics or oasis.

Perhaps consider using produce from the veg patch or a hand-tied bouquet from a florist who sources locally. You may like to scatter single stems or petals into the grave as a tribute.

Pets

Dogs offer comfort and companionship, especially at funerals. Dogs on leads are welcome at the burial meadow.

A pet's ashes may be included in their owner's grave at the time of interment.

Memorial frame

Slate memorial plaques engraved with names and dates commemorate people buried in the meadow.

The plaques are housed in this hand built chestnut memorial frame located within the corner of the meadow nearest the entrance.

The wooden frame includes a bench on each side, offering a quiet place to rest a while and take in the surroundings.

Finding the spot

To preserve the natural landscape, graves do not feature headstones, grave-markers or surrounds; instead, they are carefully mapped and their locations are recorded and shared with you so that you'll know where to visit.

Whichever way you would prefer to share the location, we have got it covered...

- >> Latitude and Longitude
- >> [///](#) What3Words address
- >> Google Pluscode
- >> Google Maps link

If you struggle with any of these, don't worry, we will be able to flag the spot for you.

You'll be able to return to the spot at any time and you'll have helped preserve a much loved landscape for future generations to enjoy.

Procedures

Provisional booking: Call 01600 716438 to make a provisional funeral booking, after the death has been certified, and let us know the requested date,

name of the deceased, your own contact details and any prior purchase information.

Confirmation: We will check the calendar to make sure it's not already taken, then contact the gravedigger and custodian to make sure they are available before confirming the booking.

Submit forms: Complete the Online form, or download the Interment form and complete the details as soon as possible and at least two days before the event. Email it to bath@leedam.co.uk with a scanned copy of the Coroner's Order for Burial or a Registrar's Certificate (or cremation certificate for an ashes interment).

Payments: Payment by bank transfer is required before the event. The gravedigger is paid separately, but also before the event. We will send you a receipt and confirm that everything is OK.

Prices and forms: A price list and all forms are available on the website www.leedam.com/locations/bath/forms-and-prices/

Embalming: Embalming fills the body with toxic chemicals which we do not wish to introduce into the soil. We would only accept embalmed remains in exceptional circumstances, e.g. repatriation.

Choosing a plot: Arrange a family visit to the burial ground with the Custodian (07749 923645) who will show you the options available. Liaise with the office directly (01600 716438) using the mobile app What3Words.com to make sure the location is right.

Double plots: Plots are single depth. Double plots are arranged side by side. Choose which side is which. The second plot can be paid for in full or costs can be spread over 10 or 20 months by setting up a monthly standing order (extra admin charge applies). If undecided, we can provisionally reserve it for 1 year, after which it may be offered to others.

Coffins etc: Choose an eco-coffin, casket or shroud. All materials, including linings and clothing, should be natural and biodegradable. No veneered MDF or chipboard, please. Standard nameplates are OK or a handwritten card label with the deceased's name and dates.
TIP - Use calico canvas instead of polythene Crem Film.

Coffin size:	Please measure and include the true maximum external dimensions of the coffin on the Interment Form. If in doubt please call us.
Grave digging:	Our nominated gravedigger will prepare the grave ready for your arrival. Graves are single depth 1.3m; double plots are arranged side by side. Families can backfill the soil to cover the coffin if they choose, but the gravedigger will complete the work.

On the day: There is usually only one burial on the day and time is not limited. The Custodian will be there to meet and direct you.

The vehicular gate into the meadow will be open for the hearse, limousine and family mourners with limited mobility who display the priority parking sign in the windscreen.

TIP - Estate cars are popular with families instead of the formal hearse.

Dogs and pets: Dogs offer comfort and companionship, especially at funerals. Dogs on leads are welcome at the burial meadow. A pet's ashes may be included in its owner's grave at the time of interment.

Music: There is no electrical power supply in the burial ground. Make sure that battery-powered speakers are powerful enough to deliver good sound quality. Live, acoustic music is always beautiful.

What to wear: Wellies/hiking shoes (not high-heels); warm, windproof clothes.
TIP - Bring folding chairs, scarves, hats and blankets for the elderly.

Carrying the coffin: The ground is uneven, so the usual church trolley won't work. Carry the coffin underarm rather than on shoulders, feet-first. Set up trestles at regular resting points if the carry distance is long.

Webbing: Funeral Directors - please bring your own webbing. The custodian or gravedigger will have a backup set in case you come without.

Flowers: Seasonal flowers from the garden or produce from the veg patch are perfect. Let florists know it is for a natural burial, so no plastic, Oasis foam or wire, please. Arrangements should be taken away at

the end of the event. Please let the custodian know if a posy of flowers is to be left on the grave. *TIP - Bring a basket of petals from the garden to scatter into the grave.*

Items in the grave: Additional cremated remains can be included the grave, even those of a pet; please include details on the application form. You can also include natural tributes e.g. a wooden boat, sea shells; a sealed museum jar with significant pieces, or other inert objects.

After the funeral: We will issue a certificate of interment, by email, with the precise grave location details. This will be in pdf format for sharing.

Finding the grave: The certificate of interment will include links to Google Maps, GPS coordinates and the What3Words address of the grave. The What3Words mobile app is an easy way to navigate to the grave. If there is ever concern, we can flag the spot.

Memorials: To keep the land sustainable for the future as pasture, individual graves are not marked. Instead, slate plaques inscribed with the names and dates are mounted between the upright timbers of the memorial panel. Memorial rights to display a plaque are granted for 25 years (renewable). The memorial can be ordered on the Interment Form or a separate application form is available [here](#).

Plants and trees: To conserve the landscape and the natural habitat, no trees are planted on graves. The old orchard was restored several years ago when heritage varieties of apple trees were planted and these are now maturing well. To protect wildlife and bereaved families from unwanted change, nothing should be planted and no seeds should be scattered without our consent.
